LOXWOOD F.C

A CLUB WITH AMBITION

Loxwood FC is a widely respected member of the of the Southern Combination Football League competing in the Premier League, various cup competitions and the prestigious FA Cup & FA Vase.

There have been several changes at the Club over the last few years as we continue to enjoy Charter Standard Club status (the footballing equivalent of the BS kite mark) and work with the local community to provide excellent football facilities for a diverse group of over 200 people ranging from youth (U6-U16 boys / girls), adult training sessions and matches through to vets and walking football. The Plaistow Road pitch is now regarded as one of the best grass playing surfaces in Sussex hosting several prestige cup matches.

Whatever your age, gender or ability, there should be a place for you at the club providing a gateway for children to progress into adult football whilst ensuring we position Local Community Youth football as the primary building block on which Loxwood FC can be sustained going forward.

We can only do all this with the magnificent support from our sponsors and advertisers who we rely on heavily. Everyone is welcome to come to the Plaistow Road ground where a warm welcome awaits.
